## Hot Dog in the Manger to the Editor of The Bonds: It is a pay that House Bill 319, gring a state or

It is a pity that House Bill 110, giving a state conclusion gover to regulate the use of half along the native house to regulate the use of half along the state highways is such a way as to see the fearity of the the concert, has not been pused. It has been seen yet referred to the usest General Court, and the fight to represent one of the constall counts for the created which these great thorough lares were build will not be given use.

Of the assembly for some such measure flows use briefly by a position. Any now with has recordly driven along the Maharit Trail or almost say of the other sixter reads frozerly some of our most beautiful series uses resultly their the some rivial impression beautiful tools from such a trail is of an ordering proportion of belong stations, but dog stands and other adjects which have not littlewed beautiful.

And these redicillationers are our merrip, in their bird, soffities to the enemy. They have, popularing they speaking, because the schole of in. The shall said, where they have been placened to enter in every immune they have been placened to enter in every immune they are provided by the state of the view, he passed at which the trevelor is forced to book, and from that mutually growth to birdied from extra-scale extension, saids placing the past in this cry upon the seconds of the treather—construction a very stratch and arteriting. The
